- Stanier SK
- PH SK
- PH CK
- PH BSK
- HW SK

English

Nice coaches for variation in the Train Simulator. Though sounds are not as good, some sounds from the coaches on Riveria Line 50's would be better.. Interesting new sounds - not sure how accurate, but they make a change. Graphics OK... but nothing to write home about. Based on they work, makes a change, the passengers have skins (even if the usual blocky monstrocities) and the sounds are intriguing, worth \$5.
